BOG okays \$10.20 Union fee

by Marcel Bright
A University Union operating fee of \$10.20 was approved Thursday by the Board of Governors despite a last minute effort by Eastern student BOG representative Debbie Smitley to reduce it to \$9.20.
The increase will take effect fall of 1978. The BOG also approved a \$72 per year increase in student housing and a \$4.75 per month increase in married student housing.
Smitley made her request to reduce the \$10.20 figure by one dollar after President Daniel E. Marvin had delivered his report to the BOG recommending the \$10.20.
In a report to the BOG prepared by Smitley and Financial Vice President

Tom Dersch, Smitley said the Union could operate without a deficit with the \$9.20 fee.
Smitley said one of the reasons the fee should have been decreased was that beginning fiscal year 1979, the Union would begin receiving its share of interest revenue.
She also said that for the first time ever there is \$7,100 budgeted for Union promotions with no anticipated income built into the figure.
Smitley said the figure could be channeled toward paying off the deficit.
"This would have lowered the amount needed for a Union fee about 37 cents," Dersch said.
The \$10.20 figure was an increase of \$1.95 over the \$8.25 recommended by the Bond Revenue Committee to help offset an estimated \$225,000 Union operating deficit.
Donald Walters, BOG executive director, said after the meeting that BOG members knew Wednesday night that Dersch and Smitley were going to make the presentation against the \$10.20 increase.
He said that Eastern President Daniel E. Marvin had "told me the day before."
The board's decision to approve the \$10.20 increase "was one that appeared to be in the best interest of the university," Walters said.
Walters said Marvin "was protecting the future" by requesting the (See Fee on page 7)

Possibility of fee hike lessened

by Lori Miller
Tuition probably will not be increased next year at Eastern, both Donald Walters of the Board of Governors and President Daniel E. Marvin said Thursday.
Walters told the BOG, which met at Eastern Thursday, that neither he nor the presidents of the BOG schools "plan to bring a proposal to increase tuition next fall" for the BOG system.

Win consolation game

Hot, cold Panthers take third place

by Dave Shanks
SPRINGFIELD, Mo.--After nearly 60 minutes of cold shooting, the Panther basketball team finally found the range to take third place in the Division II national tournament Friday and Saturday.
Eastern dropped a 58-43 decision to Wisconsin-Green Bay Friday to put the Panthers into the consolation game.
Eastern guard Charlie Thomas is named to the all-tourney team. See page 12.
Accounts of Eastern's loss to the University of Wisconsin at Green Bay and Cheyney State's title victory are on page 12.
against Florida Tech, who lost to tournament champion Cheyney State University 79-63.
Spurred on by a contingency of over 1,000 loyal Eastern fans, cheerleaders and pep band, the Panthers overcame a 10 point halftime deficit against Florida Tech, enroute to their 77-67 consolation victory.
The Florida Tech Knights, who were riding a 24 game winning streak coming into the tournament, jumped off to a 15-10 lead in the early going, but Eastern battled back to score 10 straight points, to go ahead 20-15 with 12:01 remaining in the half.
Poor Eastern shooting and passing, coupled with the hot hand of Florida Tech's Andrew Prather, allowed Florida Tech to outscore Eastern 21-6 for the remainder of the half, giving the team a 36-26 advantage.
Florida Tech hit on 14 of 28 from the field in the first half, paced by Prather who had 19 at the intermission. The Panthers hit on only 11 of 30.
Panther Head Coach Don Eddy inserted Jimi Oldham and Tom Thigpen in the starting lineup for the second half along with Charlie Thomas, Derrick Scott, and Dennis Mumford.

Eastern's Tom Thigpen tips in a missed shot for two of his 10 points in the Panther's 77-67 NCAA II consolation victory over Florida Tech Saturday. Over 1,000 of Eastern's fans, cheerleaders and pep band came to spur
"We had to go after them full court. We didn't think that they couldn't hit 50 percent in the second half," Eddy said.
"(Craig) DeWitt just hasn't done anything starting the second half and "Pick" (Mike Pickens) seemed tired," (See LOYAL, page 5)

on the team in their bid for the national title at Southwest Missouri State University last weekend. (News photo by Craig Stockel)

Sunny, Warmer

Monday will be partly sunny and warmer with a high in the upper 50s or lower 60s. Monday night will be partly cloudy with a chance of showers, with a low in the middle or upper 30s.

UMW to consider offer

by The Associated Press

In meeting halls across Southern Illinois, the state's 14,500 United Mine Workers Monday will ponder provisions of a new tentative contract to end the long soft coal walkout.

"I believe this one here'll go," said sub-district UMW board member Thomas Shoemake of Herrin after a meeting of local presidents Saturday in Springfield.

The union and the Bituminous Coal Operators' Association hope that the latest offering eases enough of the shortcomings of two previous proposals that failed, pushing the strike into its 105th day.

Retaliation raid continues

TIBNINE, LEBANON (AP) - Israeli tanks and troops reporting negligible resistance pushed deeper into southern Lebanon Sunday from this shell-scarred town, eight miles north of the Israeli-Lebanese border.

A column of armored personnel carriers and trucks churned up a haze of dust as they carried fresh troops and supplies through Tibnine, once a Palestinian guerrilla stronghold and now flying a white flag of surrender.

At least in this central sector of southern Lebanon, the Israelis were moving more than two miles beyond the six-mile-deep "security belt" they seized when the invasion began last Wednesday. Israeli officials had said originally they would hold to that six-mile limit.

Spinks has bad weekend

ST. LOUIS (AP) - A run-in with traffic police in his hometown early Sunday climaxed an already bad weekend for heavyweight champion Leon Spinks during which he was stripped of world title recognition by the World Boxing Council and was sued by his landlord.

Spinks, 24, who showed up unexpectedly in St. Louis, was charged with driving the wrong way on a one-way street and operating a motor vehicle without a license, police said.

Byrd: Await canal treaty

WASHINGTON (AP) - Senate Majority Leader Robert C. Byrd says he has advised the Carter administration to await conclusion of Senate action on the Panama Canal treaties before formally notifying Congress of plans to sell warplanes to Israel, Egypt and Saudi Arabia.

The West Virginia Democrat said Saturday he passed the word to Secretary of State Cyrus Vance late last week, noting that the Senate could not give due consideration to the package deal while still debating the canal issue.

Congress must act within 30 days of the time it is notified of an arms sale if it wishes to block the deal.

Farm bills await decision

WASHINGTON (AP) - Two Senate committees will decide Monday whether to act favorably on three emergency bills aimed at improving the financial plight of U.S. farmers.

The bills before the Senate's budget and appropriations panels have been endorsed by striking farmers represented by the American Agriculture organization. If given committee approval, the measures probably would come up for floor debate on Tuesday.

Anita may quit showbiz

DECATUR, Ill. (AP) - Claiming homosexuals have scored a victory, singer Anita Bryant said Sunday that her show business career is apparently over.

Miss Bryant, a former Miss Oklahoma and first runnerup in the 1959 Miss America beauty pageant, appeared in this central Illinois city of 90,000 as part of the national "Revival Fires Crusade," an evangelical group organized by the Rev. Cecil Todd of Joplin, Mo.

She blamed her sagging career as a secular entertainer on an unfair national press coupled with what she said was a conspiracy by homosexual activists to torpedo her ability to sign concert engagements.

Anita Bryant may be met by protestors

by Linda Charnesky

Singer Anita Bryant will bring her "singing testimonial" at 7:30 p.m. Monday to Charleston High School gymnasium, but she may be met by protestors.

Unit One Assistant Superintendent Terry Weir said Sunday Bryant's visit is part of the Revival Fires Ministries of Joplin, Mo.

The revival is open to the public and admission is free.

Roger Traylor, president of Christopher Street, Eastern's organization for homosexuals, said Sunday that "gay Illini at the University of Illinois is sending some people down."

"Some people are very annoyed about her being here," Traylor said.

Traylor said protesting will be done by homosexuals, bisexuals and heterosexuals, but he did not say how many are expected to attend.

"They will picket her philosophy, which is reducing our rights," Traylor added.

Two local businessmen question legality of Union improvements

by Marcel Bright

Two area businessmen who claim that the University Union may be in illegal competition with their businesses said Sunday moves to improve the Union have raised questions concerning its operation in relation to area businesses.

"It's obvious the university made a mistake when it built the Union," Dan Hudson, owner of Munchies Delicatessen, said Sunday.

Hudson and Village Thoughtfulness Shoppe owner Reggie Phillips said that university officials in their zeal to improve the operation of the Union may be overstepping their legal boundaries.

"We are not at the point where we have considered any type of legal action," Hudson said. "There has been no talk of a lawsuit."

A headline in Thursday's Eastern News inaccurately said the two businessmen were planning to sue the university. Both said later they were only investigating the possibility that Eastern may be operating some of its business beyond the limits of the law.

Dan Hudson

The two businessmen said they are waiting to hear from Coles County states attorney Paul Komada for a determination of the charges that they have raised.

"We could be wrong, but it seems unfair that a state supported institution can go into business to make a profit," Hudson said.

"We're tax payers and help support the same institution that is competing with us. It doesn't make sense," he said.

Phillips said that the Union bookstore's expanded card display was illegal competition with his line of cards. Hudson claimed that the Union addition Rathskeller deli was also illegally competing with his business.

Both businessmen disagreed with a recent statement by Vice President of Student Affairs Glenn Williams that this was the first time "someone had claimed we were in violation of the law by selling something."

Hudson said that other businesses in Charleston have complained about certain items sold in the Union.

"This question was raised when Eastern was attempting to acquire a pharmacy for its Health Service," Hudson said.

"We've offered to help them work on some of the problems at the Union, but they apparently didn't want it," Phillips said.

Low turnout causes run-off vote

by Sue Leibforth

Run-off elections for 17 candidates for three faculty committees and councils will be held April 5, since only six candidates were elected in Wednesday's elections.

Don Dolton of the Faculty Senate said Wednesday that a little less than 50 percent of the faculty voted in the elections.

Run-off elections will be held for two seats on the Council on Academic Affairs, five seats on the Faculty Senate, and one opening on the Council of Faculties.

For the CAA, run-offs will be held between Ron Wohlstein of the Sociology Department, who gathered 116 votes, Steve Whitley of the Zoology Department, with 111 votes, Tom

Floyd from the Elementary and Special Education Department, with 76 votes, and Don Garner of the Speech Department, with 70 votes, Dolton said.

He said both Bill Heyduck of the Art Department and Peter Leigh of the Political Science department were excluded from the run-offs, since they collected 59 and 52 votes respectively.

For the COF position, both Jon Hopkins of the Speech-Communications Department and George H. Jones of the History Department will participate in the run-offs. They gathered 117 and 87 votes respectively.

Faculty Senate run-offs will take the top 10 candidates in Wednesday's election.

Members to participate in the

run-offs will be June Johnson of the Music Department, with 139 votes, Cary Knoop of the Art Department, with 137 votes, Leonard Wood of Cooperative Education, with 136 votes and Gerald (Hank) Pierson of student teaching, with 135 votes, Dolton said.

He said other members in the senate's run-offs will be Francis Summers of the Psychology Department, with 94 votes, Richard Rogers of the English Department, with 84 votes, and William James of the Zoology Department with 77 votes.

Also running for the senate will be John Guckert of the Secondary Education Department, who had 73 votes, John Simpson of the English Department, with 68 votes, and Paul Ward of the Psychology Department with 67 votes.

Take time to hear Anita Bryant

Anita Bryant will visit Charleston Monday, bringing with her evangelism and controversy over her crusade against certain rights for homosexuals.

She is famous for her orange juice commercials, her gospel of Christianity, and her adamant leadership of at least one drive-in Dade County, Fla.--to defeat a public ordinance allowing homosexuals to hold jobs in public schools.

She is possibly one of the most controversial persons ever to visit this area, and we urge all who can to attend her performance.

Many have found it difficult to stomach her message of intolerance, and say it is couched in hypocrisy and hate.

We also do not agree with her crusade. But to ignore her appearance here is to throw away a chance to hear her speak and possibly challenge her.

If some do plan protest, we urge them to do so pragmatically, and avoid turning a debate on issues into a shouting match, or into a situation where their own feelings are kept from being heard.

It is likely that her appearance here will be devoted to her evangelical message to keep away from any conflict. Those who can, however, should talk with her if given the chance.

Both those who agree and disagree with her will find something of interest in her speech and in the protest which is reportedly planned by several area groups supporting homosexual rights.

We feel the issue goes deeper than homosexuality--it is one of human rights and dignity.

But, she should be heard, if only to test our conceptions of her against reality or to test the strength of our own convictions.

Dear Anita

Editor,

This evening Anita Bryant will be featured guest at a "Revive America Crusade" at the Charleston High School.

Although news releases have stated that the appearance is "not to be interpreted as an antihomosexual campaign," I feel that her mere presence is an antihomosexual statement in view of her recent and often fanatical attempts to repress homosexuality. I therefore submit this, An Open Letter to Anita Bryant.

"I am in agreement with Voltaire's statement, 'I disapprove of what you say, but I will defend to the death your right to say it.'

I defend your right to your own lifestyle, although I find it stifling; I defend your right to speak out, although I find your words reprehensible; I defend your right to protect your children, although I find your thinking misguided. I do not, however, defend your hypocrisy in disseminating bigotry in the guise of Biblical dictum.

I do not defend your intolerance based on fear and ignorance. I do not defend your evangelical fervor in fanning the flames of the self-same hatred that once sent Blacks to the back of the bus and Jews to the gas chamber.

With the intensity of a modern day Savonarola you have declared that this evening you wish to make a "positive

presentation of Christ as the answer to the burning issues confronting society today."

Your successful efforts in legislating homosexual repression in Dade County, Florida and your intimidation of gays across the country seems to fall far short of this intended goal.

I feel that moral and political repression and the inevitable totalitarianism that arises from such a twisted social mindset creates, rather than solves, problems. Indeed, these very problems of moral and political reaction are among "the burning issues of the day."

Surely the only answer to the survival and increased greatness of our world is not intolerance bred of fear and ignorance, but is found instead in openness and love---love in whatever form it might manifest itself.

Name withheld by request

A way of life

Editor,

In reply to Mark Winter's letter of March 7th, we have a few comments which will hopefully clarify Mr. Winter's and others misconceptions about Christ.

We heartily agree with the concept of internalization; for as social beings how can we give and relate to others without a thorough understanding of oneself?

But, internalization of itself is not enough, it is a dead end; an egotistical, egocentric approach to problem solving.

CATATONIC STATE

IT'S ST. PATRICK'S DAY. 'GOTTA UPDATE THE DECORATIONS

WHAT??

Eastern philosophies and the Hebrew Christian proclamation of a creative redemptive God, i.e. that the Eastern philosophies tend toward an absolute monism which obscures moral distinctions, while the God of the Hebrew Christian Scripture is the source and ground of valid moral distinctions.

What Mr. Rubin is doing is using the moral criteria revealed in the law, the Prophets and in Jesus Christ to criticize the conduct of some adherents of Biblical religion.

But in making such a moral judgment he is destroying the foundation of the Hindu philosophy for which he claims great sympathy.

Moral judgments are dangerous. They have often been used in very immoral ways.

But I suggest that Mr. Rubin's inability to avoid them is left handed evidence that the universe is built upon a transcendent moral order and that there is a real distinction between right and wrong, good and bad.

Which shall it be? Are all philosophies equally sound, or do some people do and say things they ought not to?

J. Robert Ross
Campus Minister

Thanks, fans

Editor,

To all Eastern basketball fans:

Thanks alot.

Regardless of what other people might say, you are definitely the greatest.

We appreciate your support during the tournament as well as throughout the entire season.

State legislator admits lying to AP about call

SPRINGFIELD, Ill. (AP) - An Illinois legislator has admitted that he lied to The Associated Press when he said he did not make a \$19 personal call to Hawaii from his state telephone.

Rep. A.C. Bartulis, R-Benld, admitted over the weekend that he made the call after some residents of his district told the AP that it was probably to his cousin.

Bartulis conceded he had lied to the AP last month about the call and that "I usually don't do this. It bothers me more than anything that I did that."

Bartulis said he lied "because I was ashamed of what I'd done. One thing about it, at least it's off my chest."

Bartulis said that he placed the call last June to a cousin in Honolulu, and that it did not involve state business. It lasted 25 minutes and cost taxpayers \$19.71.

The Honolulu call was one of hundreds of personal and unexplained calls from state telephones uncovered during a four-month-long Associated Press investigation of Illinois legislative phone bills.

The AP telephoned the Honolulu number in February and found it belonged to a man named as Frank Simutis, who said: "I don't have any comment on this."

At first, Bartulis told the AP that he knew some people named Simutis, but not one named Frank or that lived in Hawaii. "I didn't place that call," he said.

Loyal fans spur Eastern

(Continued from page 1)

he continued, which accounted for the lineup change.

DeWitt, a sophomore forward, came to life after returning to the lineup with five minutes gone in the second half. He pulled down eight rebounds and scored 17 points for the game.

The Knights maintained their advantage for nearly six minutes of the second half then the Panthers began closing the gap.

With Florida Tech up 47-39, DeWitt tossed in two buckets while Thomas added two jumpers, giving Eastern eight unanswered points and a tied ball game with 11:52 left to play.

Florida Tech regained the lead and held it until DeWitt picked up a loose ball and found Thomas open on a break. Thomas pulled up and hit a 20 footer to put Eastern up 58-57 with 4:49 left.

Florida Tech countered with two free throws to go back on top, but Mumford's 10 foot jumper from the baseline put Eastern ahead to stay.

Jerry Prather, a 6-foot-6 senior forward and All Tournament Team selection, tallied 27 for the Knights for a two-game total of 50 points.

The Panthers hit on 20 of 29 shots from the field for a .689 percentage in the second half.

Senior guard Charlie Thomas hit nine of 18 and added four free throws to lead Eastern in scoring with 22 points.

Thomas' performance Saturday, coupled with the 16 points he scored in Friday's game against Green Bay, earned him a spot on the All Tournament Team.

Derrick Scott scored on seven of 10 for 14 points for Eastern.

"We finally just started playing. Derrick and Charlie did really well. I thought we really had good play there for 10 or 12 minutes (in the second half)," Eddy said.

"The way Charlie and Derrick played since mid-February, I can truly say during that stretch they were the best guards we ever had," Eddy said.

Eddy, disappointed the Panthers could finish no higher than they did two years ago when they also took third, said, "There's still that empty feeling" (about not finishing higher).

He said it was not difficult to get the team mentally prepared for the game after Friday's loss.

"We put a lot of emphasis that this was William (Patterson) Derrick and Charlie's last effort and we didn't want to shortchange them," he said.

New housing booklet available after delay

by Cindy Davidsmeyer

A housing handbook called "Off-Campus Housing Guide" will be distributed Monday and Tuesday by the Student Senate Housing Committee.

The handbook will be available at the Union addition student government office, all residence halls, the Housing Office and at some apartment complexes, Housing Committee Co-chairperson Mike Metz said Sunday.

Co-Chairperson John Grant said Wednesday the distribution was delayed due to cancellation of classes Friday.

The handbook deals with terms of leases, provisions such as security deposits and sub-leasing and "where students can get (legal) help," Grant said.

Although information for the handbook was gathered by writing to other universities, and by having "professionals look over the handbook," all of the articles were written by committee members, Grant said.

The handbook will be available in the Union addition Student Government Office, the Housing Office, from dorm counselors and anywhere students pick up leases, Grant said.

The handbook is funded by the senate at an approximate cost of \$40, Grant said.

Butler aims to reduce crime rate

Editor's Note:

The two Democratic candidates for sheriff in Tuesday's primary election, Earl Ashmore and Chuck Lister, could not be reached by the News Sunday.

by Ed Cobau

Reducing the county crime rate and settling unsolved murders are two aims of Sheriff candidate Robert Butler, who is seeking the Republican nomination in the March 21 primary.

"Basically, my campaign centers on reducing the high crime rate that has developed in the past three or four years in the county and to re-open the investigation into the numerous murders that have remained unsolved," Butler said.

"Never before in the county has there been a history of murders that have remained unsolved. I intend to

reopen the investigations into these murders," Butler added.

Butler also added that the current leadership of the sheriff's administration "is quite poor" and said improvements "would have to be made, to correct the problem."

"If a sheriff fails to inspire and motivate his men, it reflects on down through the ranks," Butler added.

He added that all officers should "exhibit and conduct themselves accordingly" and that current sheriff's personnel "lack the professionalism that should exist".

He added that a good "public relations program" should be maintained by the office at all times in order to keep the image of the office upheld.

"Without a good program, you're only kidding yourself," Butler ex-

plained.

"I think the quality of law enforcement here in Coles County has eroded in the past three or four years. I intend to change it," Butler said.

The 46 year-old Butler began his law enforcement career with the Charleston Police Department in 1962 where he served for 3½ years, two and one-half as captain.

Beginning in 1965, he spent 8 years with the sheriff's office, of which 5½ years he spent as chief deputy. He is a graduate of the University of Illinois Police Training Institute and is currently self-employed.

Butler resides with his wife, Sarah, at 530 Reynolds Drive. They have three children, Cheryl, 24, who is married, a son, Gary, who is with the Navy stationed in Guam and Brent, 15.

Egg hunter

Smith wants more, better deputies

by Ed Cobau

More manpower and additional training for deputies are two items Coles County sheriff Paul Smith said Sunday he would like to see accomplished if re-elected.

Smith, 56, is currently serving his third term in office and is seeking the Republican nomination in Tuesday's primary election.

"Basically, manpower is the big problem. Two more men are needed on the force because of the workload," Smith said.

Smith explained that due to the

large amounts of paperwork currently handled by deputies, the force is unable to devote more time to the investigation of robberies and burglaries.

He said the addition of two men would help solve the problem.

The additional manpower is also needed to help cover crimes that occur in the outlying rural areas, Smith said.

Smith said the solving of rural area crimes by his office is down about 10 percent from the national average.

Smith also said he would improve deputy training if elected. He ex-

plained that he would like deputies to receive additional training at the State Police Academy instead of the Police Training Institute at the University of Illinois.

Smith, 56, has more than 23 years of law enforcement experience and is currently vice president of the Illinois Sheriffs Association and is also a member of the National Sheriffs Association.

He is also a World War II veteran and a member of the Kiwanis and Elks Clubs, the Eagles Club and the American Legion.

Tuition increase next year not likely—Marvin

(Continued from page 1)

Although the Board of Higher Education recommended in its original budget proposal that tuition be increased, Gov. James Thompson's budget for education does not include a hike in tuition.

Walters said that due to Thompson's stand against a hike, he "does not foresee the possibility" of an increase.

However, Walters also said that the board should discuss the "underlying implications" of what may happen if tuition is not increased.

"We need to discuss what the board will face in the future if tuition is not increased this year," Walters said.

Walters also said he will prepare a report for the board later this spring on future budgeting without an increase so that the board will "have a clearer notion" of how to stand on "future rates" of tuition.

Marvin said the likelihood that tuition will not go up will "create a

dilemma for us" in budgeting, since "costs are bound to go up."

"My own hope is that the BHE will reconsider its stand on the one-third, two-thirds," Marvin said.

He said that if the increase is not approved, students will "move backwards" from paying one-third of their

instructional costs, which was first proposed by the BHE in 1975 in its Master Plan Phase IV.

The Master Plan was the board's long-range planning report.

"We need to reach an equilibrium. If general fund support goes up, then students are going to pay tuition in

proportion," Marvin said.

He also said he prefers a 30-70 ratio of support, which he said would be "darned close" to the one-third figure.

"There's a chance of that succeeding, if we can convince the board," he said. "We'll keep working on it."

Fee okayed—despite student opposition

(Continued from page 1)

\$10.20 instead of a lesser increase.

"Though it may appear to be a conservative move, management is sometimes conservative, especially when what you are dealing with is a multi-million dollar a year operation," he added.

The board was informed on the Union deficit "only to the extent of the board report" which Marvin presented, Walters said.

He added that Marvin "was scrupulous about not taking advantage of his position. He was not briefing us to

sway board opinion his way."

Although Dersch said the fee would not be reduced once it was imposed, Walters said, "Unequivocally, if the president comes back and suggests to the board that the fee be reduced the board will vote for it."

"All the burden (for requesting the fee reduction) is on your president," he said.

Smitley said after the meeting she "predicted the outcome, basically because of the sentiments expressed by the board that President Marvin was accountable for the outcome."

Smitley also said the board's quick approval of the \$10.20 fee was "characteristic of what we've seen" in the past.

(Continued from page 12)

center, with three runs coming across in the third on hits by Franson and Gossett.

In the fourth, Franson and Dennis Conley walked before Pat Rooney's line drive single scored Franson. Eastern added one more in the fifth on a line drive home run to right field by first baseman Ken Saxe.

Huff allowed Evansville runs in each of the second and sixth innings before Furmanski came on to strike out the final UE hitter with one man aboard in the sixth.

Evansville's Mike McCullough doubled off Furmanski with two men

on base in the seventh. Berkins likewise doubled pulling UE within one before Lundberg killed the rally with four pitches.

McDevitt credited the defensive play of his squad in gaining the win, citing out plays by leftfielder Mike Nichols, rightfielder Pat Rooney, and infielders Gossett and Conley.

The coach also praised West for his defensive effort behind the plate.

"Tim (West) had to battle a tough wind and still managed to catch three pop ups," McDevitt said. "That was our first time outside and I think we did a respectable job."

Lockport greets Porters

LOCKPORT, Ill. AP - They went down to Champaign as the state's top-ranked Class AA high school basketball team and Lockport's Porters came home Sunday in a style befitting a champion.

A police escort led them and cars carrying their supporters along the 120-mile route from their motel in Champaign to Lockport. When the vehicles reached town, local police joined the escort.

The parade ended at Lockport High School, where more than three thousand persons were waiting in the gym to greet the champions.

The Porters earned the celebration when they defeated Westchester St. Joseph Saturday night, 64-47 to claim the title and wrap up a perfect season of 33 wins and no losses.

It was the first state basketball title for Lockport, which became only the ninth champion to win all its games.

English Department Creative Writing Contest

Student writers are invited to submit entries in the English Department's annual competition for the **Winnie Davis Neeley Memorial Award** in creative writing

Rules:

1. Entrants must be currently registered at EIU. Graduates or undergraduates in any program are eligible.
2. There shall be two categories of entries: Fiction and Poetry. Fiction entries shall consist of one short story. Poetry entries shall consist of either one longer work or a collection of shorter poems, in either case totaling about 200 lines.
3. Entrants may submit no more than one entry in each category. All entries must be original and previously unpublished.
4. Submit entries to: Creative Writing Contest, Department of English, Coleman Hall, attention Dr. Brayfield.
5. Write name and address of author on an accompanying sheet, not on the work to be judged.
6. One prize of \$25 will be awarded in each category.
7. Deadline for submission: Friday, April 14, 1978.
8. Winners will be announced and prizes awarded at the annual English Department Honors Tea, April 25, 1978.

Victory, fan spirit highlight tourney weekend

For the second time in three years, Eastern took third place in the NCAA Division II playoffs. The playoffs, held this year in Springfield, Mo., attracted more than 1,000 screaming Panther fans.

The Panthers lost their first game to Wisconsin-Green Bay by a score of 58-43, then beat Florida Tech 77-67 in the consolation game for third place.

President Daniel E. Marvin, left, asks Panther reserve Jimi Oldhan, to sign his program after the third place win. Below, Panther forward Craig DeWitt shoots pool at the Howard Johnson's before the playoffs.

Eastern fans, lower left, rush the court after the third place victory, but are pushed back by security personnel. Lower right, Guard Charlie Thomas exults at Panther victory.

Eastern finishes 1-2 in indoor soccer play

by Kathy Kilaares

Eastern's booters dominated their own soccer tournament Saturday, sweeping the top two positions as EIU defeated the Panther Soccer Club in the championship game by a close 2-1 margin.

Eastern Illinois University, the players that competed intercollegiately in the fall season, clobbered the Praire Soccer Stars 6-0 in the opening match, with midfielders Vincete DiBella and John Jozsa each scoring one goal and striker Gordon Prempeh knocking in four.

In the second round of the tourney, the Panther Soccer Club, made up of players from Eastern's regular season squad and some that were ineligible for intercollegiate play, kicked the University of Dayton 4-0.

Midfielder Christ Tegousis scored the first goal followed by one from Ziggy Eichhorst and two from Amara Feth-Ennour.

Playing two games back to back, the Panther Soccer Club took Lewis University 3-2 in the third game with

Eichhorst stepping in to score twice and Joe Kearney once.

The Panthers met Wheaton in the first semi-final game and advanced to the championship on a 2-1 victory with help from Tegousis and Feth-Ennour who each scored a goal.

Goals from forwards David Hancock, Prempeh, Jozsa and two from Roger Piers totaled five for Eastern against Lewis' one, which also put EIU in the championship game.

In the final match, DiBella and Piers scored for Eastern and Eichhorst for the Panthers to end the day with a 2-1 win, and a tournament title for Eastern.

Tennis team hosts Millikin

The Eastern tennis team, who picked up their first win of the season over the weekend, will host Millikin University today at 3 p.m.

The match will be played either on the Weller courts, or in the Lantz Fieldhouse, depending on the weather. The netters defeated Washington

University of St. Louis 8-1 Saturday, during a quadrangular meet at South-east Missouri.

Eastern dropped a 7-2 decision to SEMO on Friday, bounced back to beat Washington then were defeated by St. Louis University 8-1 in their final match.

Eastern hopes dashed by Green Bay in semis

by Dave Shanks

SPRINGFIELD, Mo.—Wisconsin-Green Bay outscored Eastern 28-5 from the free throw line enroute to a 58-43 win over the Panthers Friday in semi-final action of the national tournament.

The loss dropped Eastern into the third place game where they faced Florida Tech.

The game typified the same slow, deliberate style of play experienced when the two faced each other Jan. 21 in Lantz Gym, a contest Green Bay won 45-44.

Eastern maintained a slight advantage during the first half, holding a slim lead throughout much of the half.

Six straight points at the end of the half enabled Eastern to take a 26-20 halftime lead over the Phoenix.

Senior guard Charlie Thomas had 12 at half but went cold from the field in the second half, ending the game with 16 points.

The Phoenix then hit on six unanswered points to start the second half and to knot the game at 26.

Eastern regained the lead, on a 12 foot jump shot by Derrick Scott, but Green Bay tied things up at 30.

Green Bay got the lead, which it refused to give up, with 8:25 remaining, on two free throws by Tom Anderson.

Missed shots and Panther turnovers limited the team to only five points in the last nine minutes of the contest.

On one trip down the floor with just over five minutes left, the Panthers missed seven shots at the basket.

Green Bay was able to pad its lead on free throws coming as a result of some of Eastern's 24 fouls. Green Bay was whistled for only nine personals.

The Phoenix capitalized on 28 of 32 attempts from the charity stripe, while Eastern made five of their six attempts.

"The game wasn't broken until we missed seven shots. I think that was (the turning point) when we didn't convert there," Panther coach Don Eddy said.

Cheyney wins title

by Dave Shanks

SPRINGFIELD, Mo....Cheyney State (Pa.) University rattled off 10 unanswered points in the first five minutes of the second half and survived a late Wisconsin-Green Bay rally to pave the way to a 47-40 victory and a national championship Saturday night.

With the game tied at 22, Charles Murphy and Milton Colson hit on jump shots and Andrew Fields, an All-Tournament Team selection added three more jumpers before Green Bay could get on the scoreboard.

With 11:52 left, and Cheyney leading 35-26, the Phoenix, who had suffered its only season defeat at the hands of Division I powerhouse DePaul, began whittling away at the Cheyney lead.

Rushed and poor percentage shots by the Wolves left the door open for a Phoenix rally.

Bryan Boettcher capitalized on a three point play with 6:06 left to put Green Bay ahead 36-35.

Following a Cheyney State timeout, the Wolves regained both their poise and the lead which they added to with free throws caused by desperation fouls committed by Green Bay.

Eddy has inquired about vacant Georgia position

SPRINGFIELD, Mo....Head Basketball Coach Don Eddy said after his team's third place finish in the national tournament that he has inquired about the now open head coaching job at the University of Georgia.

Eddy, in his 10th year with the Panthers, said, "I talked to their Athletic Director" about the job, but "I would be surprised if I ever heard from them again."

The coach said, "With as strong an alumni area as that is, it

takes a courageous AD to hire someone who alumni don't know."

Eddy said he has been interested in coaching at Georgia "ever since I lived in Atlanta. If they would hire me, I probably would take it."

"They (U. of Georgia athletic officials) are not pursuing me. I am not unhappy in the least with where I am at," Eddy stressed.

Thomas ends season by making All-Tourney

SPRINGFIELD, Mo.—Senior guard Charlie Thomas was named to the All-Tournament team at the national tournament here Friday and Saturday.

In addition to Thomas, Andrew Prather from Florida Tech, Tom Anderson from Wisconsin-Green Bay and Kenneth Hynson and Andrew Fields both from Cheyney State were also named to the team.

Fields, a 6-foot-7 junior, was named the tournament's Most Outstanding Player.

Thomas, from Washington, Ill., scored 38 points for the Panthers at the tournament, with 22 coming in Saturday's consolation victory over Florida Tech.

In the post-season competition, Thomas scored 111 points for Eastern. He was also named Most Outstanding Player of the Great Lakes Regional held in Lantz Gym March 5 and 6.

Charlie Thomas

Baseball Panthers split two with Evansville

Baseball coach Tom McDevitt

by Carl Gerdovich

Evansville, Ind. - Tim West's two home runs along with fine defensive play by the infield gave Eastern's baseball Panthers a twin-bill split Saturday in the season opener at the University of Evansville (UE).

The Panthers dropped the opener 3-2 before bouncing back to take the nightcap 6-5.

Tom Ozga suffered a disappointing loss in the opener yielding just five hits as the Panthers allowed three unearned runs for Evansville. Ozga struck out four and walked one.

"Tom (Ozga) pitched a beautiful game. He deserved to win," head coach Tom McDevitt said. "I was real impressed with his performance."

Evansville scored two runs in the third inning on a pair of singles and an Eastern error. Bill Jones and Tom Henricks reached on safties before a batted ball deflected off Ozga's glove

resulting in a three base throwing error.

John Doefner was the winning pitcher for UE allowing just two hits. He walked two and struck out 11.

"We should have won this one for Ozga. I'm not taking anything away from their pitching because he (Doefner) pitched a fine game. But Ozga deserved the win," McDevitt added.

West cracked a pair of 400-foot plus home runs to spark the Panther offense but the senior catcher thought his pitcher deserved a better outing.

"Tom pitched a real good game and deserved it," West said. "He definitely pitched good enough to win but we didn't give him enough offensive support."

Eastern scored in the first when Paul Franson walked, stole second and advanced to third on a wild pitch before coming home on a single by Jeff Gossett.

West clouted an estimated 450-foot shot to left-center in the second inning.

"The pitching was about average for the first time out," West commented. "This is the first we've seen and I think it was decent."

"I had a 1-0 count on me. He (Doefner) had thrown me a curve on the first pitch so I knew he didn't want to fall behind, so I was waiting for a fast ball," West added.

Freshman Pat Huff worked five and two-thirds innings in the nightcap to earn the win and give Eastern a split on the afternoon.

Huff was relieved by Rick Furmanski and Lenny Lundberg.

The Panthers slapped out nine hits scoring in each of the second, third, fourth and fifth innings.

West clouted his second homer in the second inning, a 400-foot shot to

ESTABLISHING CENTERS

Off-campus courses are assigned to centers where it is likely that need and enrollment will justify the service. Requests from Educational Service Region Superintendents, unit superintendents, and other agencies will be considered in planning off-campus programs.

Requests should be filed at least six months in advance of the time the course(s) are desired so that departments can arrange for staffing. The University reserves the right to cancel scheduled classes where there is evidence that the enrollment will be inadequate. All courses taught by EIU staff will be recognized as residence credit.

ENTRANCE REQUIREMENTS

In most instances, undergraduate classes offered off-campus will be limited to upper division level courses -- open only to juniors, seniors, and graduates and subject to specific course prerequisites.

Admission to off-campus courses does not constitute admission to a degree program at EIU. Students desiring to pursue a degree program must file an official application for admission with either the Admissions Office, if an undergraduate, or the Graduate School.

Graduate students are subject to the same entrance requirements as those enrolling in comparable courses taught in residence.

COURSE NUMBERS

Generally, courses numbered 1000-1999, are Freshman courses; 2000-2999, Sophomore courses; 3000-3999, Junior courses; 4000-4999, Senior courses; and 5000-6999, Graduate courses.

However, courses numbered 4750-4999 may be taken for either undergraduate or graduate credit.

CLASSIFICATION OF STUDENTS

Freshman	0-29 semester hours
Sophomore	30-59 semester hours
Junior	60-89 semester hours
Senior	90 and above semester hours

REGISTRATION

The registration fee (subject to change) for off-campus courses is \$24.00 per semester hour of credit plus a \$5.00 book rental fee, payable at the time of registration. State Military Scholarships may be used by students enrolled for credit in off-campus courses. Fees for auditing are the same as those for students taking an equivalent amount of work for credit. EIU reserves the right to cancel any class prior to or during registration and to change or reassign instructors at any time.

Any student who has been dropped from EIU for academic reasons must petition for readmission prior to registration.

Registration will be conducted during the first class meeting at all centers, or as follows, except at CAFB where students must register at the time and place indicated.

CAFB, RANTOUL	P-4, Room 217
June 13	9:00 A.M.-7:00 P.M.
June 14	9:00 A.M.-4:00 P.M.

DANVILLE, JR. COLLEGE	6-110
June 15	2:00 P.M.-8:00 P.M.

CLASS WITHDRAWAL

Withdrawal from classes must be submitted in writing to the Continuing Education Office. Verbal communications via the instructor or telephone will not be honored.

GRADUATE CREDIT

Graduate students are those students who have completed a bachelor's degree from an accredited institution and have obtained admission to the EIU graduate school. An application for admission to graduate study must be filed with the Graduate School prior to or at the time of enrollment for the first graduate course from EIU.

Degree Candidate: Submit two official undergraduate transcripts sent directly from each college or university attended to the Graduate School. Typically the candidate must have a 2.50 undergraduate GPA and take the appropriate admission test (GRE, MAT, or GMAT). For further details consult the Graduate Catalog.

Non-Degree Student: Submit to the office of Continuing Education an official copy of your undergraduate transcript(s). This documentation is required only once if you remain a Non-Degree student. Failure to supply such documentation will result in the withholding of credit and grades. Credits earned as a non-degree student may not count toward a graduate degree. Students are advised to seek official admission to the graduate school.

ANY CLASS WITH LESS THAN TWELVE ENROLLMENTS IS SUBJECT TO CANCELLATION
